Ministerial Responsibility	Election Commitment	Primary Agency Responsibility	Expected Completion Date
<p>Treasurer and the Minister for Employment and Economic Development The Hon Andrew Fraser MP</p>	<p>Guarantee 5,000 public sector apprenticeships and traineeships over the next four years.</p>	<p>Employment, Economic Devt & Innovation</p>	<p>To be negotiated with agency.</p>
<p>Treasurer and the Minister for Economic Development The Hon Andrew Fraser MP</p>	<p>Deliver \$1.8 million over three years to deliver roadside infrastructure to support the drive travel market. - This funding of up to \$50,000 per project will be available to local Councils, Regional Tourism Organisation's or local community groups to undertake capital projects along Queensland's highway network. - The grants will be available for minor roadside infrastructure such as interpretive signs, toilet facilities and shaded picnic areas. - In order to get local tradespeople engaged on the projects as soon as possible the first year's funding will be brought forward with applications due by the end of April so that projects can be underway this financial year.</p>	<p>Employment, Economic Devt & Innovation</p>	<p>To be negotiated with agency.</p>
<p>Treasurer and the Minister for Economic Development The Hon Andrew Fraser MP</p>	<p>Provide an additional \$36 million to Tourism Queensland over three years for new regionally focused tourism marketing and product development campaigns. Approximately \$6 million of this money will be used by Tourism Queensland, in partnership with Queensland Events, to market major business, sporting and cultural events.</p>	<p>Employment, Economic Devt & Innovation</p>	<p>For Budget</p>
<p>Minister for Natural Resources, Mines and Energy and Minister for Trade The Hon Stephen Robertson MP</p>	<p>Deliver up to 200,000 solar hot water systems to Queensland families for \$500 each over the next three years. "This will give the average family free hot water after less than two years of using the system and pensioners and concession card holders will have free hot water in less than six months," said the Premier.</p>	<p>Environment & Resource Management</p>	<p>ASAP</p>

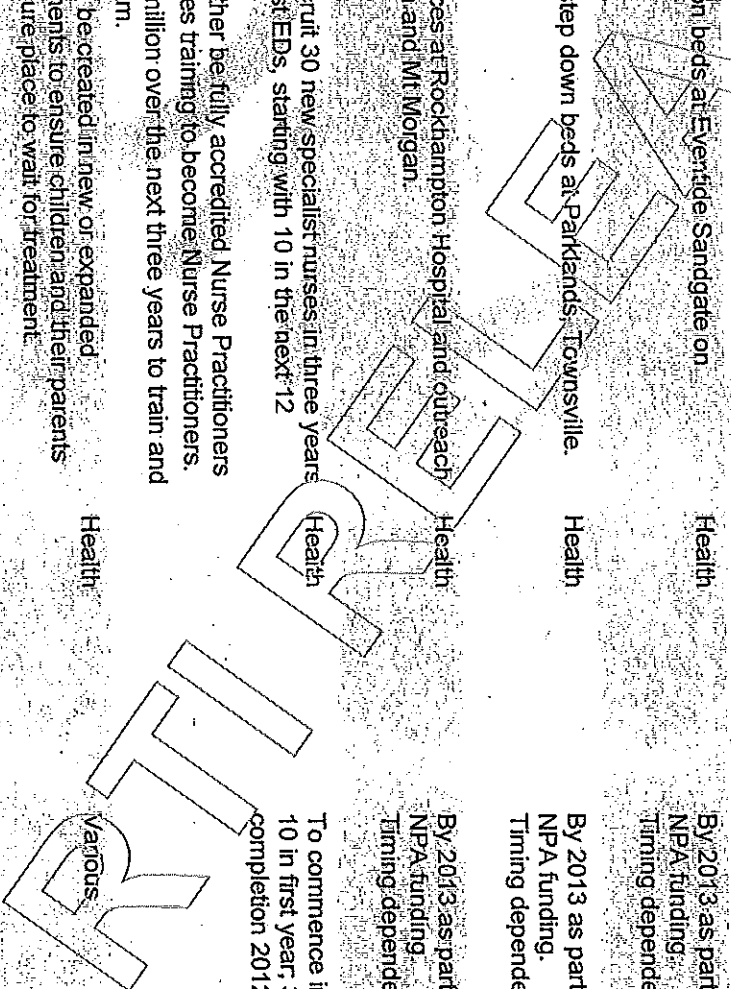

Ministerial Responsibility	Election Commitment	Primary Agency Responsibility	Expected Completion Date
Minister for Natural Resources, Mines and Energy and Minister for Trade The Hon Stephen Robertson MP	The State Government will spend \$1.5 million restoring Kirra Beach on the Gold Coast. The money will fund a short-term sand excavation program and a long-term plan to solve the problem which has been caused by sand pumping in the Tweed River program. The Premier says up to 200,000 cubic metres of sand will be moved.	Environment & Resource Management	High Priority. Grant negotiated by mid 2009.
Minister for Natural Resources, Mines and Energy and Minister for Trade The Hon Stephen Robertson MP	The discharge of dangerous pesticides and fertilisers capable of killing the Great Barrier Reef will be cut by 50 per cent within four years. I gave a commitment then that regulations to address this pollution would be introduced to the Queensland Parliament by June this year. My commitment today is to set clear targets for pollution reduction through these regulations. Ms Bligh said that targets would be met with a regulation approach that would complement the federally-funded voluntary program and the good work already being done by many farmers.	Environment & Resource Management	20 April 2009 1 June 2009 2 June 2009
Minister for Natural Resources, Mines and Energy and Minister for Trade The Hon Stephen Robertson MP	Premier Anna Bligh will change the law to make sure all Queensland farmers, including leasehold farmers, can take advantage of carbon trading schemes for financial reward. Under the plan she would also work with the Federal Government to ensure that re-growth on cleared land, and not just plantation forest, was eligible for carbon trading. "We will change the law to make sure they have the same rights as freehold farmers in allowing vegetation to grow on their property to earn carbon trading rewards."	Environment & Resource Management	1 June 2009
Minister for Natural Resources, Mines and Energy and Minister for Trade The Hon Stephen Robertson MP	Endangered regrowth vegetation will be the subject of a three month clearing moratorium to allow talks between farmer groups and a new Labor Government about the best way forward on regrowth clearing.	Environment & Resource Management	6 April 2009 21 April 2009

Ministerial Responsibility	Election Commitment	Primary Agency Responsibility	Expected Completion Date
The Hon Stephen Robertson MP	Extend its ground-breaking Wild Rivers protection program to south-west Queensland's channel country. Three rivers in south-west Queensland would be declared as wild rivers: Cooper Creek, The Georgina and Diamantina Rivers will be nominated and gazetted as Wild Rivers in the next term of Government in the channel country of South West Queensland.	Environment & Resource Management	Urgent Amendment of legislation by 2010. Declaration of rivers towards the end of this term of government.
The Hon Stephen Robertson MP	Minister for Natural Resources, Mines and Energy and Minister for Trade Fund a \$123 million feasibility study on the Great Walk and work with the Rudd Government's Federal Infrastructure Fund to secure further financial commitment to build the track.	Environment & Resource Management	Priority. Complete feasibility study by end 2009. Project plan and funding negotiations well advance by mid 2010. Dairree to Cooktown section commenced within 3 years. Estimated 8-12 years to complete.
The Hon Stephen Robertson MP	Minister for Natural Resources, Mines and Energy and Minister for Trade \$250,000 for Fraser Island infrastructure.	Environment & Resource Management	To be negotiated with agency.
The Hon Paul Lucas MP	Deputy Premier and Minister for Health Guaranteeing the future of the successful Surgery Connect program by committing an extra \$90 million during the next three years, of up to 20,000 procedures.	Health	High Priority Over 3 years: 2009-2012
The Hon Paul Lucas MP	Deputy Premier and Minister for Health The additional procedures include up to 3,300 operations on children over the period.	Health	High Priority By 2012
The Hon Paul Lucas MP	Deputy Premier and Minister for Health Cioncunry Hospital Aged Care Annex - \$6.5 million new 10-bed aged care annex attached to the Cioncunry Hospital upgrading the communities existing 3 bed capacity and adding 7 new beds. To be completed by June 2012. (Funding is from the \$100 Million Sustainable Resource Communities support package. Funding for each of these projects will start in June 2009).	Health	By June 2012

Ministerial Responsibility	Election Commitment	Primary Agency Responsibility	Expected Completion Date
Deputy Premier and Minister for Health The Hon Paul Lucas MP	Dialysis Patient Accommodation – \$800 000 new four bedroom bathroom dwelling to provide accommodation for renal dialysis patients from Mt Isa Hospital. To be completed by June 2010. (Funding is from the \$100 Million Sustainable Resource Communities support package. Funding for each of these projects will start in June 2009).	Health	By June 2010 High Priority
Deputy Premier and Minister for Health The Hon Paul Lucas MP	\$45.6 million for the Prince Charles Hospital for a new 12 bay Paediatric Emergency Department, 20 short stay paediatric ward beds and specialist outpatient clinics (previously announced).	Health	By 2012 before QCH comes online
Deputy Premier and Minister for Health The Hon Paul Lucas MP	\$44 million expansion of the Logan Hospital Emergency Department including 18 adult treatment bays and dedicated paediatric waiting area and treatment bays.	Health	By 2013 as part of 5 year roll-out of NPA funding. Timing dependent on revised SEQIPP.
Deputy Premier and Minister for Health The Hon Paul Lucas MP	\$18 million expansion of Redland Hospital Emergency Department including a helipad, four paediatric ED treatment bays and four consulting rooms (building on a previous \$7M commitment).	Health	By 2013 as part of 5 year roll-out of NPA funding. Timing dependent on revised SEQIPP.

RTI RELEASED

Ministerial Responsibility	Election Commitment	Primary Agency Responsibility	Expected Completion Date
Minister for Police, Corrective Services and Emergency Services The Hon Neil Roberts MP	\$53.6 million over three years for the new contact centre – PoliceLink – to be opened at Zillmere in early 2010 to provide state-wide 24 hour contact number for non emergency police matters.	Police	Opened by 2010
Minister for Police, Corrective Services and Emergency Services The Hon Neil Roberts MP	\$7.5 million over 3 years for road safety enforcement initiatives such as extra police motorcycles and new fixed speed cameras.	Police	As per left hand column. [13HOON is a separate initiative, relating to jobs in Far North Qld – there was a separate query about 13HOON, so can delete this bracket]
Minister for Public Works and Information and Communication Technology The Hon Robert Swarten MP	New Staff retention accommodation facilities to retain key frontline health and police staff – 5 new or upgraded dwellings to ensure attraction and retention of key health and Police staff for Mt Isa. \$4.52 million. (Funding is from the \$100 Million Sustainable Resource Communities support package. Funding for each of these projects will start in June 2009).	Public Works	Project to start June 2009

Ministerial Responsibility	Election Commitment	Primary Agency Responsibility	Expected Completion Date
<p>Minister for Public Works and Information Technology The Hon Robert Swarten MP</p>	<p>\$60 million in funding towards a \$130 million AFL stadium at Carrara on the Gold Coast. This will create a 175 metre by 128 metre AFL oval capable of being scaled to accommodate an international standard cricket oval, athletics field and soccer field on the Gold Coast. It will be a 23,000 seat facility with an additional 2,000 standing capacity. It will be suitable for use in the Commonwealth Games if our bid to attract them to the Gold Coast is successful and it will be home to a new AFL team for the coast. Ms Bligh said the project was dependent on the AFL finalising joint funding arrangements with the Australian Government and the Gold Coast City Council. The State's contribution will begin with a \$2 million allocation next financial year and in return we expect the AFL to start construction within months. In the 2010/11 financial year the State will contribute \$7 million with \$51 million allocated for the third year to see the stadium completed in time for the 2012 season when the new Gold Coast AFL team will start playing.</p>	Public Works	Terms and conditions to be sent asap to the AFL
<p>Minister for Main Roads The Hon Craig Wallace MP</p>	<p>A re-elected Labor Government would deliver three new widened sections of road on Beechmont Road. The widening will allow for easier overtaking and better passing opportunities for traffic travelling in opposite directions. The total project will cost \$2.5 million and the work will commence in 2010.</p>	Transport & Main Roads	Work to commence in 2010
<p>Minister for Main Roads The Hon Craig Wallace MP</p>	<p>Holly Joe Creek. Construction of new culverts to provide additional drainage capacity, replacement of existing drainage structures and reconstruction of pavement. Work will be conducted on a critical 400 metre section of the Flinders Highway located around 45km west of Julia Creek. Project will cost approximately \$1.9 million. (Funding is from the \$100 Million Sustainable Resource Communities support package. Funding for each of these projects will start in June 2009).</p>	Transport & Main Roads	Project to start June 2009

Ministerial Responsibility	Election Commitment	Primary Agency Responsibility	Expected Completion Date
Minister for Main Roads The Hon Craig Wallace MP	Gregory Carmowear Road surface extension – Paving of sections of the Gregory Carmowear Road between Carnowear and Gregory, at a cost of \$5 million. This project not only serves the communities of Doonagdee and Gregory and Century Mine but also provides construction employment opportunities from Myerma P/L to deliver indigenous employment and training. (Funding is from the \$100 Million Sustainable Resource Communities support package. Funding for each of these projects will start in June 2009).	Transport & Main Roads	Project to start June 2009
Minister for Main Roads The Hon Craig Wallace MP	Two new overtaking lanes (one in each direction) between Westwood and the intersection with the Leichhardt Highway on the Capricorn Highway (\$3 million)	Transport & Main Roads	ASAP
Minister for Main Roads The Hon Craig Wallace MP	Two new overtaking lanes (one in each direction) between Bushley and Wycarbah on the Capricorn Highway, (\$3 million)	Transport & Main Roads	ASAP
Minister for Main Roads The Hon Craig Wallace MP	A re-elected Labor Government will approve \$2 million of road improvements for the road under the Safer Roads Sooner program. The government will provide \$1.2 million to upgrade the intersection at Rifle Range Road, 10km east of Proserpine and a further \$800,000 to improve lighting, delineation and sightlines on sections of the road between Cannonvale and Jubilee Pocket	Transport & Main Roads	ASAP
Minister for Main Roads The Hon Craig Wallace MP	Committed to funding two thirds of the cost of replacing Jubilee Bridge. Would be able to provide more than \$12 million to the project and lobby the Federal Government for the remainder.	Transport & Main Roads	ASAP
Minister for Transport The Hon Rachel Nolan MP	Trial of Trucks use Left Lane only	Transport & Main Roads	ASAP

RTI

Ministerial Responsibility	Election Commitment	Primary Agency Responsibility	Expected Completion Date
Minister for Transport The Hon Rachel Nolan MP	\$6.5 million for two specially designed heavy vehicle recovery units capable of lifting heavy trucks and semi-trailers from the roadways of south-east Queensland, with the first truck due to arrive by June 2009.	Transport & Main Roads	To commence by June 2009
Minister for Transport The Hon Rachel Nolan MP	\$4 million for four fixed incident response depots to service the Bruce Highway and the Centenary Motorway, the Pacific Motorway and the Gateway South	Transport & Main Roads	ASAP
Minister for Transport The Hon Rachel Nolan MP	\$1.2 million for 24-7 police officer co-ordination in the Metropolitan Traffic Management Centre and throughout the traffic incident response system	Transport & Main Roads	ASAP
Minister for Transport The Hon Rachel Nolan MP	\$630,000 for three special incident cameras that take 360 degree images of the accident scene to go to the South Coast North Coast and Ipswich/Troowoomba. This will speed up the time taken to record the scene of an accident. The system will be introduced before May 2009.	Transport & Main Roads	To commence by May 2009
Minister for Transport The Hon Rachel Nolan MP	Provide funds of at least \$10 million over three years to Queensland councils to support construction of more than 24 new pontoons or floating walkways to improve safety and access for boaters.	Transport & Main Roads	Priority
Minister for Transport The Hon Rachel Nolan MP	Invest at least \$24 million over three years to construct or upgrade at least 15 new boat ramps over the next three years in partnership with Queensland councils.	Transport & Main Roads	To be completed by 2012 Priority
Minister for Transport The Hon Rachel Nolan MP	We commit to a further three reef sites to increase recreational fishing opportunities from late 2010 at a cost of \$1 million creating eight jobs. These sites will be selected in consultation with fishing interest groups and after assessment of initial outcomes of the above trial sites. Sites where reefs were once naturally occurring will also be considered to reinstate bay and inshore reefs to support these once great fishing spots as they are easier to access for small craft.	Transport & Main Roads	Assessment of trial sites by early 2010. Commence consultation in 2010
