Hi Russ

It was great to meet with you last week. Apologies for not getting back to you sooner but the key Queensland Week terms we'd need to monitor from 9 February to 20 June are all variations of:

- Queensland Week
- Suncorp Queenslander(s) of the Year
- Queensland Great(s)
- Queensland Day
- Queensland Week citizenship ceremony
- RACQ Big BBQ (barbecue)
- Queensland Week Big BBQ (barbecue)
- Queensland Week comedy
- Comedy Under the Stars.

These terms may need to be updated as we confirm the program of events and potentially appoint a Queensland Week ambassador.

As discussed, I'd also to extend the brief to include the 2009 Reconciliation Awards for Business and the 2009 Queensland Premier's Literary Awards. The key terms would be all variations of:

- Reconciliation Awards for Business
- Steve Renouf (Reconciliation Awards for Business ambassador)
- Queensland Premier's Literary Awards.

The Reconciliation Awards launch on 14 April and will be presented on 9 July. The Literary Awards launch on 20 April and will be presented on 8 September.

You mentioned when we met that Queensland Week, Reconciliation Awards and Literary Awards can all be covered under the same monthly retainer. I hope this is still the case, however, all clip costs will need to be charged to the separate projects for reporting reasons.

In terms of the services we require, I'd like to request for each project:

- press clips
- metro news alerts
- regional news alerts
- broadcast, and
- an analysis report.

Are you able to send through a contract that outlines our requirements for these three projects?

Thanks Russ. Please give me a call if you have any questions.

Kind regards,
Michelle

Hi Russ

I just found the client service orders for the 2009 Queensland Premier's Literary Awards and 2009 Reconciliation Awards for Business in my in-tray. I'm so very sorry that these were never sent to you. If you can please confirm your fax number, I'll send them over right away.

Unfortunately, this means will need a back search dating back to when the awards were launched on 20 April. Search parameters will be all variations on the following (unless you have any other suggestions):

- 2009 Queensland Premier's Literary Awards
- Queensland Premier's Literary Awards
- 2009 Reconciliation Awards for Business
- Reconciliation Awards for Business
- Reconciliation Awards for Business and Steve Renouf

Apologies again, Russ. I hope this hasn't caused too much inconvenience.

Kind regards,
Michelle
